## AUTHORIZATION DESIGNATIONS AND REVOCATIONS

**SYNOPSIS:** Various regulations require that there be on record the names (and sometimes the specimen signatures) of persons designated to serve in positions of authority or responsibility. This regulation brings these requirements together and provides for a standard form to designate, revoke, and record authorizations.

## 1. PROCEDURE

- a. Form No. 725 (Attachment A) has been developed to reduce correspondence on designations and revocations and to provide a standard record of authorizations. Listed below are the types of authorizations for which Form No. 725 shall be used. This list is by no means restrictive. Whenever possible, additional uses shall be made of Form No. 725 to supplant more costly correspondence.
